Dear Penelope,

Thank you for your generous check for \$800 in support of MathCounts 2010. MathCounts appreciates having the Society of American Military Engineers as a program partner. Your support will help us tremendously to reach our funding goal. A formal receipt will be mailed to you from the UC Foundation in the weeks to come.

SAME's support will be used to cover programmatic expenses including tutor booklets, exam materials and facility rentals. Thank you again for your continued support in promoting math and science education at UC Irvine.

Sincerely,

A handwritten signature in cursive script that reads "Anne Reese".
