Dear Jim,

Thank you so much for your partnership and support this year! We truly admire the giving participation of everyone at the conference who made the 10K gift possible to Operation Homefront.

As you know, Operation Homefront provides emergency assistance and morale to our troops, to the families they leave behind and to wounded warriors when they return home. We are proud of the partnerships we have in our community that make our programs possible so that we are able to care for military families in crisis.

It is a special time when you receive a gift of this amount that can go where we need it most. We assist approximately 5,000 per year and all of our programs are free. Many of our programs assist families who are in financial crisis and Operation Homefront is there to help pick up the pieces and maintain a stable home life.

Again, thank you for thinking of us and providing your energy, donations, and generosity! Please extend a heartfelt thank you out to all of your sponsors, attendees, and committees who made this amazing goal come true! I look forward to working with again in the future!

Sincerely,
