Mr. Will Manker
Post President
Society of American Military Engineers
Orange County Post
17625 Crenshaw Blvd Ste 300
Torrance, CA 90504-3465

Dear Will,

On behalf of the middle school students participating in the MATHCOUNTS competition this year and the School of Physical Sciences, please accept our heartfelt thanks for your continued support. Your sponsorship of the 2014 MATHCOUNTS competition helps UC Irvine provide an opportunity for California's underserved students to excel in critical thinking and problem solving skills necessary for their future success. We appreciate the Society of American Military Engineers as a program partner and thank you for your continued support.

S.A.M.E.'s support will be used to cover programmatic expenses including tutor booklets, exam materials and facility rentals. We are also delighted to recognize S.A.M.E. on the MATHCOUNTS T-shirts.

Thank you again for your continued support in promoting math and science education at UC Irvine.

Sincerely,

A handwritten signature in cursive script, appearing to read "Audrey Kelaher".

Audrey Kelaher
